ASK ALL TO AID SALVATION ARMY

Ladies' Committee Starts Collecting Funds For Army

EXTENSION WORK

Advisory Board Formed Recently for Support of Work—Public Since War Subscribed to Annual Budget

Feeling the great need of all constructive forces to aid the world at this present moment, we most generously have responded to the manifold calls from across the water, yet it is impossible to close our eyes and ears to the crying needs of our own community and while our various agencies for good are at work in our city there is an element that is touched by none of these, nor can they be reached by our churches.

The Salvation Army will carry on as long as there is sin and suffering and error to be achieved. Its many calls for service has made it necessary to include in its personnel prominent persons in every community who will abide with the army officers for the purpose of meeting the most pressing local needs which are indicated through the police records and juvenile delinquents.

The unteamed and uncared for children are building for the future of Alexandria in as large a measure as are the children matured in good homes with all of life's privileges.

An Alexandria Salvation Advisory Board was formed in the city recently for the purpose of meeting just such conditions and to support the work.

The finance committee with J. Y. Wiliams, chairman, is launching an appeal for funds which will take care of the Salvation Army extensive work as planned for one year.

Since the war the public have gladly subscribed to an annual budget of this most worthy organization which greatly augments the service of the trained personnel of the army.

The money resuired is all used in the service of humanity.

The army is unique in that it does not duplicate the work of other organizations and operates on 2 per cent of its annual budget.

The ladies committee in the city, began work yesterday and is composed of thirty-eight leaders as follows:

Mrs. Mauchlin Nevin, Mrs. Ruth Field, Miss Constance Boush, Mrs. T. Clifton Howard, Miss Ada Garrett, Mrs. W. M. Reardon, Mrs. John Lunt, Mrs. S. B. Moore, Miss R. Thomas, Miss Esther Green, Miss Fanny Burke, Mrs Alfred Uhler, Mrs. Kenneth W. Ogden, Mrs. Dreifus, Mrs. R. P. Wihtestone, Mrs. J. H. Reeves, Mrs A. S. Mankin, Mrs. Geo. Buddin, Mrs. Richard Gibson, Mrs. Julia Myers, Mrs. F. E. Ludwig, Mrs. Edgar Warfield, jr., Mrs. Fortune Kirkpatrick, Mrs. Walter Gahan, Mrs Leslie McWhorter, Mrs. Wm. Howell, Mrs. Friedrand Knight, Mrs. Arthur King, Miss Helen N. Cummings.

The business men's committee will start soliciting on Monday night.

MINISTER NINETY ATTENDS MEETING

Rev. J. S. Hansborough Guest at Episcopal Council Gathering

CANONS ADOPTED

Rev. Dr. Berryman Green and Gardner L. Boothe Chosen Delegates to Synod in Wilmington, Del.

(Written For The Gazette)

Christ Church, Charlottesville, Va., May 19.—

The council met for business at 9:45 a. m., with Bishop Brown in the chair. The hour now arrived for the election of the Standing Committees of the diocese. Ballots were then taken up and counted. While this was going on, Mr. Johnson, a member of the Brotherhood of St. Andrew, gave the council a hearty invitation to attend the meeting of the Brotherhood to be held in that city this fall, which was heartily accepted through Bishop Brown.

The Rev. W. D. Smith, D. D., read the amendments to the canons of the diocese which were drawn up by a committee appointed by the council held last year in Richmond, so that they might be considered and finally enacted at the council meeting this year in Charlottesville. The main purpose of the changes recommended is to co-ordinate the work of the diocese in view of the changes made, in the financial system of the diocese so that the work of the diocese may be more effectively advanced The membership of this committee is to remain as heretofore and is to consist of five clergyman and one layman from each convocation. The bishop to be chairman of the committee and the bishop-coadjutor if there be one shall be vice chairman. The treasurer of the diocese shall be treasurer of this committee.

The Executive Committee is to organize from its membership the following committees: First. The Board of Religious Education, second, the Board of Christian Social Service and third, the Board of Apportionment.

"All Aboard"

New Musical Comedy To Be Presented By Columbia Players in June.

"All Aboard," is the title of the entirely new musical comedy that will be given in the near future by the Columbian Players, under the direction of Norris N. Roland.

The Columbian players need no introduction to the theater loving people of this vicinity, as their last show, "The Columbian Revue of 1921" proved to be one of the greatest amateur successes ever held in this city.

The people of Alexandria may, therefore, expect in the early part of next month a clever, vibrating, up to the minute show that will offer to the attending audiences an evening full of delighful footlight diversions.

C. Page Waller, Elected Vice President For Eighth Congressional District—Alexandria Delegation Back

Robert E. Knight today is receiving congratulations on his election yesterday afternoon as president of the Retail Merchants Association of Virginia at the close of the sixteenth annual convention of that organization in Newport News.

Mr. Knight was elected without opposition.

The convention was one of the most largely attended and successful held in many years by this association.

A delegation of Alexandria business men attended the convention, they representing the Retail Merchants' Bureau of the Chamber of Commerce. All returned home this morning, and they report having had a most enjoyable time.

Immediately following the election Mr. Knight made a speech in which he took occasion to thank the association for the high honor conferred upon him.

ROBERT E. KNIGHT

Other officers chosen follow: W. H. M. Wilcox, Petersburg, first vice president; J. H. Brownley, Norfolk, second vice president; W. A. Clarke, Richmond secretary; I. H. Kaufman, Richmond, treasurer.

The directors selected are as follows: Raphael Levy, Richmond; A. M. Clay, Roanoke; H. Carl Boschen, Richmod; Mosby Ryland, Lynchburg; Edward Eigenbrun, Petersburg; C. S. Kaufman, Hampton.

C. Page Waller, of Alexandria, was chosen vice president for the Eighth Congressional district. Mr. Waller is also receiving congratulations on his election to this position.

Staunton was chose as the city for the next convention.

Mr. Knight is a printer by trade and when but fourteen years old, started as an apprentice on the Alexandria Gazette in 1880. He finished his trade in Washington on the old Sunday Herald and worked as a printer on four papers during his thirteen years in the printing business, among the papers being the Washington Post, Pihladelphia Record, New York World and New York Herald. For eleven years he was a member of Columbia Typographical Union.

After leaving the printing business Mr. Knight embarked in business in this city in a small store on the south side of King street between Washington and St. Asaph streets. His business steadily increased and today he conducts one of the largest stores in the city of Alexandria on the north side of King street between Washington and St. Asaph streets, and his slogan is, "Something of most everything."

Mission To Lepers

Semi-Annual Meeting Tonight in M. E. Church South Sunday School

The Alexandria Auxiliary of the Mission to Lepers will hold its semi-annual business meeting this evening at 8 o'clock in the Sunday School room of the M. E. Church South, with Mr. M. W. O'Brien, president of the Auxiliary, presiding. Reports will be made on the work of the post six months, and funds will be received from the Gold Pig Banks as well as from contributors who do not have these banks. The budget of the American Committee of the Mission this year calls for $219.150, which works out to $25 for each hour of the day and night needed during these twelve months in the campaign to "rid the world of leprosy." More than 2,000,000 persons in the world are victims of this dread disease, over 1,000 of that number living in the United States. Since the establishment of the National Leprasarium in Louisiana the work of action has not yet been fully expended gregation has begun, but the institution has not yet been fully expanded to meet all needs. Twenty lepers have been discharged from this colony as cured after scientific treatment with "chaulmoogra oil" and many others are rapidly improving.

The Mission to Lepers is an interdenominational organization, engaged in a movement to establish asylums for lepers and homes for their untainted children; to grant funds in aid os asylums in connection with other societies; to maintain Christian instruction in asylums where it is not otherwise provided; to secure government grants when possible to cover cost of food, clothing, shelter, and medical supplies for all its afflicted citizens; to urge and aid governments to secure complete segregation of lepers within their domains. Thirty-six leper stations are conducted by the Mission in Asia, Japan and the Philippines, and 8,750 lepers are cared for in these asylums.

Alexandria's Auxiliary last year contributed $200 to this work and it is hoped that $500 may be reached in 1921. Miss Mary Williamson is treasurer and Miss Margaret Germond is secretary of the Auxiliary and funds may be sent to them or to Mrs O'Brien.

"Extra" Gazette Distributed—Chief Goods "Arrests" Washington Man—Mayor Bails Him out on $300,000

The Alexandria Kiwanis Club today entertained the Kiwanis Club from Washington at luncheon in the Westminster building. There were present, including the eighty guests from Washington, about 200 members. George E. Warfield, president of the local club, presided, and immediately after the singing of the first verse of "My Country Tis of Thee'- and invocation by Rev. Dr. E. V. Regester, the fun was fast and furious. The first surprise was the appearance of Chief of Police Goods who had a warrant that he insisted on serving on Martin Lansburg, of Washington, a real "speed boy." Randall Caton, who acted as assistant commonwealth's attorney, who stated that he was serving in the absence of Howard Smith who was at Fairfax trying to break George Washington's will, agreed to let the prisoner off provided he furnish bond. Mayor Duncan immediately put up as collateral a city bond issue of $300,000 and the prisoner was permitted to eat his lunch in peace.

The next big surprise was the ap-

Sweep Before Midnight

Mayor Requests This of King Street Merchants On Saturdays

Mayor Duncan requests that all persons on King street in sweeping their sidewalks on Saturday night do so before the street sweeper starts to work as recently a number of persons have swept trash into the street after the street sweeper passed at midnight and the condition of King street on Sunday morning was anything but presentable. It is stated that those who persist violating this rule will be hailed in the police court and fined.

Lloyd George's Latest Declaration to Silesian Tangle Construed as Threat to Break France

Paris, May 20.—France will send her soldiers in to the Ruhr Valley in defense of Poland's claim to the Upper Silesian industrial area at any time she sees fit to do so. That, shorn of its diplomatic verbiage, is the reply given by Premier Briand to the British Government's request for information as to what sort of provocation on the part of Germany would justify, in French eyes, the initiating of military measures against the Reich.

Graveyard Thieves

Reward of $25 Offered for Arrest and Conviction

Graveyard thieves are again at wok. Reports have been made of flowers removed from graves in different cemeteries in the city. Fresh flowers placed on a grave in Bethel cemetery yesterday morning were stolen by the vandals and a reward of $25 is offered for the arrest and conviction of the person or persons guilty of the offense. The sooner some of the graveyard thieves are apprehended, the better off the public will be, and it is to be hoped that when they are, a substantial punishment will be given by the court

Tag Day Tomorrow

Funds Will be Sunday School Base-ball League

Tomorrow will be tag day for the Sunday School Base Ball League. The idea originated with the honorary president of the league, Mayor Duncan. The tag day is expected to take care of al lof the expense of the league for the entire season and will thus eliminate all collections and fees at the gate when the games are played.

Four Sunday schools are represented in the league, the First Baptist, Second Baptist, Trinity M. E. and M. E. South, and the Sunday School young ladies of these churches have consented to sell the tags. The tags will be given out at the Y. M. C. A. office and the young ladies will call there for them Saturday morning at that place.

The ball league received a splendid start Wednesday afternoon and the second game is being played this afternoon at Baggett's field between the Second Baptist teams and the Trinity M. E. boys. The season extends to the last of July and the teams will play about six times around.

GREAT INTEREST IN PRIZE CONTEST

Contest Editor of Gazette Receives Many Inquiries

BEGINS MONDAY

All Are Eager For Autos—However, No One Will be Disappointed in This Contest as all Will Win

From present indications there is going to be some real genuine hustling displayed for the two Ford automobiles and the 10 per cent cash commissions to be given absolutely free to those who take part in this free for all riculation campaign. It is to be an "All Prize Club"—there will be no losers. Everyone who takes part will be paid according to his or her ability to get subscriptions.

The two members securing the most credits or votes by ten o'clock p. m. July 2, 1921 will each receive a $566 Ford Touring car. All other members will receive ten per cent cash commission on all NEW subscription money turned in during the campaign.

Soon after the paper was off the press yesterday afternoon many interested people kept the telephone busy asking various questions about the campaign. One young lady came to the Gazette office as soon as she read the announcement and is now out getting subscriptions. Before the office closed last night one young man employed in the business section of the city brought in the money for a years subscription when he came after his supplies. He remarked that he expected to win one of those "Henrys" but if he didn't he would have a pretty good check due him by July 2 for the ten per cent commission.

It is gratifying to the management of the Gazette to know that the prizes offered will not fail to please its readers and friends. It would be impossible to give every one an automobile but the plan has so been arranged that there will be no losers. The ones who are not fortunate enough to win one of the cars no doubt will have nice fat checks coming by July 2, when the campaign comes to an end.

An early start means so much. Therefore, if you are going to get one of the cars or a check worth while, when the campaign is over, right now—today, is the time to get busy and start bringing in the "subs" All you need to begin your campaign is a little subscription book which will be furnished you free of charge by calling at the Gazette office.

Just bear in mind that boys and girls, young and old can join, excepting employes of the Gazette. The more members the merrier will be the race for the big prizes. The important thing to do is to enter your name at once. It will not interfere with your business or pleasure. It is a spare time proposition and just a few hours a day will bring you good results. The names of all those who join will soon be published so that their friends can see they are out to win a prize. Your friends will help you as soon as they see you mean business. Send in your name today and celebrate the Fourth of July by riding in your own automobile.

R. E. Knight Heads Retailers.

The many friends of Robert E. Knight were delighted to learn of his election yesterday as president of the Retail Merchants' Association of Virginia. Mr. Knight always has been an able and aggressive business man and the association in selecting Mr. Knight could not have done better. We feel confident that the association under the able guidance of Mr. Knight will make marked progress during the coming year.

Alexandria also is to be congratulated on his election as this is the first time in the history of the association that an Alexandrian has been president of the association.

Our Police Dept.

Just a word about our police department. This department is now doing splendid work. We have a quiet and orderly city free from all serious disorder due to the vigilence of the police and in no serious crime committed recently has the culprid escaped. That the police are always on the alert for violators of the law is evidenced by the fact that during the past month they made a total of 278 arrests and Chief of Police Goods reported to the commissioners that everything was operating in a satisfactory manner and the best of harmony prevailing among the members of the force. An excellent police department that is working in harimony cannot be beaten. Let the good work continue.

Should Improve River Front.

In connection with the clean up and paint up campaign to be launched the week of June 6 the river front of Alexandria should not be overlooked. A little painting and the removal of considerable rubbish and the tearing down of some of the delapidated buildings and the sodding at certain points along the river front would make it one of the most attractive river fronts in this section. This could be done at comparatively small cost. If everyone will evince sufficient civic pride Alexandria can have a most attractive river front that will receive the praise of the strangers passing up and down the river instead of their condemnation, the latter now being the case. All should put their shoulder to the wheel and help improve conditions on the river front Now is the time.

COMMENDS EDITORIAL

To the Editor
Alexandria Gazette,

Dear Sir:

Every citizen of Alexandria who has any semblance of civic pride is indebted to the Gazette for its editorial of yesterday on The Tapping of Sewers. The antiquated system of having the filth run along the gutters has been advertised and ridiculed by visitors from all over the country and we had hoped that with the advent of a full time health officer this menace would be abolished.

However the health department has never been approved of by some of the moth eaten invisible "City Fathers" and the result is that a great number of propety owners not only defy the orders of the department but openly boast about it.

Let's have some more of these editorial that concern Alexandria and help the officials who are really trying to do work get the slackers that the laws do not seem to reach at present.

MERCHANT GIVES TANLAC PRAISE

Virginia Beach Man Says it Restored His Health After Everything Else Failed

"Tanlac restored my health and built me up five years ago and I'm still feeling fine and weigh more than I ever did," Said J. E. Gregory, a merchant living at Seatack station, just out of Norfolk and whose address is box 83, Virginia Beach.

"I suffered a nervous breakdown twenty years ago, caused by overwork and exposure. I had to be careful at all times about what I ate, and even the little I did eat soured on my stomach and bloated me up with gas that made me miserable. I was so nervous I couldn't stand the rattling of a passing wagon, and at night I could hardly get any sleep. I couldn't work more than an hour or two at a time without getting completely tired out and having to quit."

"I saw where Tanlac was helping so many others that I decided to try it myself. It wasn't long before I had an excellent appetite and could eat just anything I wanted without suffering a bit with indigestion or bloating. My nervousness entirely disappeared, my sleep was good and sound and I completely regained by strength Tanlac did the work so thoroughly in my case that I've been feeling fine ever since it fixed me up five years ago."

THE STORY HE DID NOT WRITE

The city editor of a paper in a nearby city had long sought to get some human interest stories from the Salvation Army Rescue Home. He had sent repeatedly to try to coax out a real "sob story" from its matron, and though the young reporter knew that she would not divulge any names or facts upon which he could pin a good feature or news story he resolved to try once more.

After a pleasant little talk that yielded no more grist for his mill than had been the case in previous visits, he took his departure.

Just as he stepped down from the porch, a woman's hat blew over the high latticed gate that concealed the side entrance to the yard. He quickly stooped to rescue the hat and looked up as the gate opened into the face of his own sister. His surprise gave place to horror as he observed her condition—and for a moment he was dumb before the appearance of his baby sister, at this of all places and in this plight.

She broke down and told him of her betrayal and desertion by her fiancee—his boyhood chum whom their whole family had loved and trusted.

Realizing her disgrace, she had left the home town and come to this city to hide. Work had failed—money given out—and rather than let her parents or him know her story she had tried to kill herself, but as she sat on the bench with the little bottle of poison clenched in her hand, the gentle faced Salvation Army Matron of the Rescue Home had passed her, and then came back to sit and talk with her. After coaxing out the story the officer made her throw away the poison and brought her here to stay.

She pleaded with her brother to keep her secret, threatening to kill herself if he failed her, making him agree to let the family believe her still safe and hard at work.

The reporter—had his story—but it never saw print. The sequel too—never saw print, for a determined young man some days later—appeared with a shame faced man and a wedding was consummated—true there was none of the usual joy and festivity but that girl was spared facing the world and her family, with a nameless child.

PRESIDENT HARDING'S CONTRIBUTION

With his recent contribution of $5,000 to the Home Service Fund the President wrote: "No man is ever 'out' unless he himself confesses that he is. No organization among us has done more to prove this, or has proven it in more cases than the Salvation Army."—Warren G. Harding, President.

FRANCE TO AID POLAND'S CLAIMS

The Ministry of Foreign Affairs, speaking through Philippe Bertilelot, its Secretary-General, has flatly declined to specify exactly what kind of German action in respect to Upper Silesia would precipitate occupation of the Ruhr, but plainly intimates France will use her own judgment.

Affaires last night became known this afternoon and created a sensation in political circles, completely overshadowing the tamq commencement of the widely heralded debate on M. Briand's foreign policy in the Chamber of Deputies.

FUN AND HUMOR PREVAIL AT KIWANIS

pearance of an extra edition of the Alexandria Gazette which broke a tradition of over 100 years. Every copy of this issue was immediately gobbled up and immensely enjoyed.

In a few moments George Woodward, Washington Club's president, addfesed the assemblage expressing great gratitude for the feast and entertainment afforded the Washingtonians. There were also speeches from other members of the Washington tribe and Kirk Wallace of the local club who presented a boost to the Washington president on behalf of George Warfield.

Then folowed several songs by Kenneth Ogden, and a well received recitation by A. J. Rhodes and a piano solo from a man who was announced as "The Exile, King Alphonso of Spain."

The local "skypilot," Rev. E. V. Regester distributed the boost prizes and with his usual inimitable humor brought forth a laugh with each gift After a final song in which the entire assemblage together with the Ki-Girls who served the luncheon joined together, the luncheon stood adjourned.

OUT OF LOVE CLUB BABY

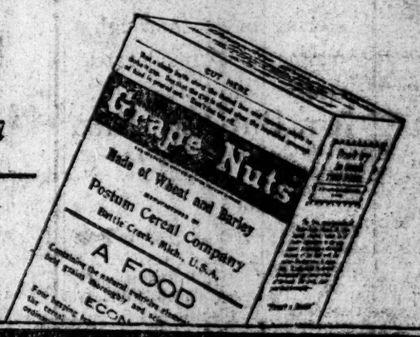
This tiny tot could be easily "registered" from Virginia or Maryland by reason of the peculiar circumstances of his being placed in charge of the Salvation Army.

This six weeks' old infant was born in a Virginia Salvation Army Maternity Hospital. It is now being cared for along with its mother in the Baltimore Nursery. As soon as the mother is able, a position will be found her in which she will be permitted to keep her baby.

No matter how destitute, forlorn, and hopeless these little foundlings seem, The Salvation Army nurses give them just as much attention, love and scientific care as is bestowed upon a cherished infant in its own family.

A number of babies picked up in alleys, in ash barrels, garbage cans, doorsteps and on trains have received a chance of life by being placed in these Salvation Army Institutions. It does not take many minutes to transform a dirty, neglected, ailing infant wrapped in rags and newspapers into a little patient in snowy garments like the one above. Though the Salvation Army nurses receive a very small per cent. of the pay of a regular trained nurse they give the same amount of scientific study and care to the physical welfare as is true in regular hospitals. They also wear a white uniform. Everything in connection with their Maternity Hospitals, Rescue Homes and Nurseries, is as spotless as work and their many years experience in these lines can make it.

Give this assistant a chance —



Here's a highly efficient capable worker who will help without hindering.

Grape-Nuts

is a scientific food which nourishes the body without burdening the stomach. It contains the perfected nutriment of nature's best grains. It is partially pre-digested. It *gives* energy without *taking* energy. There's a big difference in the day's work, with a helper like that. Many have found it so. *Grape-Nuts*, served with cream or milk, is a joy to the taste. But that's only the beginning. It's a first aid to body and brain. That's the delightful finish.

SPORTS

On Saturday, at 4 p. m., at the Dreadnaught's baseball park in upper King street, a picked team of the Camp Humphreys League will make a visit to capture baseball laurels.

The camp's personnel includes some of the games players of wide reputation, and Humphreys will undoubtedly perform well.

The following day an hour earlier the "D's" have another game with the fast nine from Bolling Field. The Aviators have a team of recognized ability and they have nine straights to their credit so far this season.

The soldiers from this station have always proved interesting matches for the locals and those who know predict a performance that will not lack by league action.

To speak of the locals would be but to repeat what has been said, but in short they are the champions, and when they play one is sure of good baseball and can feel assured with the parks accommodation of spending an enjoyable evening witnessing the best offered anywhere in this vicinity. Everybody is urged to attend our games and assist in the big movement of promoting good base ball.

The Alexandria Torpedo Station baseball team will play the Ft. Myer basebal team Saturday afternoon on North Alfred street diamond. The game to start promptly at 2:30 p. m. All of the local fans and also interested employes of the Torpedo Station are invited to attend this game. We wish to announce to the public of Alexandria that every player playing with the station team has to be an employe or enlisted sailor or marine stationed at the Torpedo Station.

We can only take our pick from the station and not Alexandria. Help us out by coming out to see one of the games once in a while. It is true we havent played but two games, one at home and one away from home We won our first one from the Marines, Washington Navy Yard, by the score of 22 to 5, and lost our second one to Ft. Myer last Saturday at Fort Myer, Va., by the score of 7 to 5. Come out and show your face and help us win this Saturday. You'd be surprised how your face will help us to win. Come out and see.

Don't fail to be on the lines Sunday to witness the big battle between th Triple A's and the Crack Gibraltar team of Washington at the Shipyard grounds at 3:30 p. m.

With Quayle and Savage at the battery, supported by fast, eleven men on the in and outfield, assures you of a good tight game.

Watch Walter's hit. He is undoubtedly the most dependable place hitter in northern Virginia. He always hits, and hits hard.

Come and watch a ball team play the game as it should be played.

Miss Margaret P. Stevens from Hartshorn Memorial College in Richmond, was a recent guest of Mr. and Mrs. C. L. Adams, in St. Elmo. Miss Stevens was here in attendance at the "Golden Jubilee" meetings of the Woman's American Baptist Foreign Missionary Society which were held in Washington, D. C., from the 11-13th days of this month inclusive. Miss Stevens is a volunteer for missionary work in Burma and expects to sail this fall.

Mrs. V. M. Lumsden and Mrs. J. R. Kellison, of Richmond, Va., are visiting their parents' Mr. and Mrs. J. H. Cato, on Braddock Avenue St. Elmo.

Mrs. Fred Morris, of Del Ray, is visiting friends in New York City.

Mr. A. E. West of Del Ray, went to Richmond this morning for a few days stay.

George Mason High School base ball team won from Manassas High School Wednesday afternoon by a score of 18 to 8. Due to the fact that the Manassas boys had to leave at 5:22, the game lasted only four and a half innings. Frank Saffelle, Jr., of G. M. S., was the star of the game, knocking a home run in the first inning, which scored two runs. The Manassas team is a fine bunch of boys, but their team is a little weak just yet, however, they expect to be stronger and give the G. M. H. S., team a good game when they go up to Manassas to play the Manassas High School team a week from tomorrow. The Leesburg nine could not come yesterday, as announced, so their game is postponed until Monday, May 23rd, at which time, Leesburg High and George Mason High will meet on the diamond of the Mt. Vernon Avenue School in Del Ray. Tomorrow, Saturday, the G. M. H. S. team will go to Culpeper to play the Culpeper High School team.

Mrs. Charles Adams, of La Verne Avenue, S. Elmo, left this morning for Richmond, where she will attend the commencement exercises at Hartshorn Memorial College, the 23rd, and 25th of this month, as a guest of Miss Margaret P. Stevens. Mrs. Adams will also spend a few days in the home of Mr. E. W. Long, of Richmond, formerly of St. Elmo.

"Happy is the people whose God is the Lord," will be the subject of Rev. Willis L. Wayts Sunday morning's sermon at Del Ray Baptist Church. At the evening service he will take as his subject, "If the right eous scarcely be saved, why shall the ungodly and sinner appear?"

Circle No. 3, of the Del Ray M. E. Church Ladies Aid Society had a very well attended and interesting meeting last Monday in the home of Mrs. William T. Barbour, in Del Ray. Several plans were discussed for future activities.

J. T. Butler, of Cottage Park, was at home two days this week because of cold.

Mrs. J. B. Duncan, of Mt. Vernon Avenue, Del Ray, made a short visit this week to her niece, Mrs. W. Y. Slater, in Petersburg, Va.

There's a "little bit of heaven" at the Alms House ever since Wednesday afternoon. It was about half past two when several members of Willard Women's Christian Temperance Union of Alexandria and vicinity met at the Alms House and after a prayer and reading the scripture, presented the inmates of the home with a beautiful cabinet Pathe phonograph and fifty double records. The first records played were some of the beautiful old familiar hymns which inmates and visitors joined in singing with the phonograph. Then a number of the records were played, vocal, instrumental and a few comic ones for variety and spice. There is a nice variety and assortment in these records, comprising really fine music of all kinds, and the phonograph was presented freely with instructions as to using, and it is the wish of the W. C. T. U., that the inmates use it at will and get all the happiness possible from its use, as it was a gift to the inmates, and not to any one person.

Mrs. E. C. Tesh, of Windsor Avenue, Del Ray, has been critically ill at the home of her sister, Mrs. A. Lynch, in Alexandria, and her many friends will be glad to learn that she is slowly improving and hopes soon to return to her own home in Del Ray.

Dempster M. Smith, Jr., is recovering from the "grippe" at his home in Mt. Ida.

Many friends of Garland Dabney have asked that a tribute to his memory might appear in the columns of the "Gazette" and it is in response to this request that the following sketch of his life and service is given here. Garland D. Dabney, eldest child of Mr. and Mrs. William Dabney, of Seminary Hill, was born in the year 1895. On June 18, 1916, he enlisted in the District National Guards and served six months on the Mexican border, was returned to the States and called at once for service in the World War. As a member of Company C, 161st Infantry, and 41st division, was stationed at Camp Green, S. C., until sent to one of the embarkation Camps in New Jersey, and in the fall of 1917 went overseas with his division. He served fifteen months in France where he attained the rank of corporal. He was honorably discharged February 18, 1919, and returned to the United States. Soon thereafter he was appointed to the Graves Registration service and in that capacity was sent to England and France. In June of 1920, he returned to the United States in charge of some bodies to be interred in Arlington cemetery, and after a short visit at home and to friends, went again to France where he was engaged in the same work up to the time of his death. In the spring of this year he married an English girl, and in a fit of despondency or mental derangement, he shot himself on March 29, 1921. The government had his body brought back to this country and interred with military honors in Arlington cemetery on May 18, 1921. Besides his wife he is survived by a father, mother, two sisters and four younger brothers. He was a young man of fine qualities, possessing a genial and happy nature, and was a member of Del Ray M. E. Church South. His many friends in the church and community extend to his bereaved parents and family their heartfelt sympathy in this time of sadness.

Sunday School and church services as usual in Del Ray M. E. Church this Sunday. The pastor, Rev. J. Raymond Wood, will preach at both the morning and evening service.

Mrs. O. H. Hansen, from Fort Washington, was a guest of Mrs. J. L. Cato, on Wednesday.

Mr. and Mrs. D. C. Chambers, of Mt. Ida, spent last week with his father, Mr. William L. Chambers, at his country home in Poolesville, Md.

The Ladies Aid of Del Ray M. E. Church held a meeting in the church yesterday afternoon. All officers were present and each Circle of the Aid made a fine report, showing a satisfactory condition of finances.

INSTANT QUERIES CONCERNING THE SALVATION ARMY.

What is The Salvation Army?

A religious body with two functions evangelistic, which is primary, and social relief, made necessary by the evangelistic and giving permanency to its most important results.

Founded by the late General William Booth London, 1865, first known as "The Christian Mission," present name adopted 1878. Name derived from fact that the Army works for salvation of mankind, by the grace of God, from all forms of moral, spiritual and temporal distress. Form of government—military; tactics—militant and aggressive.

BY WHAT LEGAL AUTHORITY DOES THE SALVATION ARMY EXIST IN THE UNITED STATES?

Act of legislature, State of New York: "An Act to Provide for the Incorporation of the Salvation Army," Chapter 468—became law April 28, 1880. Incorporated in California in 1895.

IS THE SALVATION ARMY LEGALLY ENTITLED TO RECEIVE GIFTS AND REQUESTS FOR CHARITABLE PURPOSES?

Yes. By section one of the act of incorporation.

WHO ARE TRUSTEES?

The Commander, Chief Secretary and Treasurer of the Salvation Army in the United States, ex-officio, with two officers or two lay members selected by these three.

IS ANY OF THE MONEY COLLECTED IN THE UNITED STATES SENT TO OTHER COUNTRIES?

Hitherto a special fund has been raised once a year, self-denial week. One half used solely for support of foreign missions. This has been the only money sent outside of the United States by the Salvation Army. All other moneys are used for support of operations in the United States.

UPON WHAT BASIC PRINCIPLES DOES THE SALVATION ARMY ASK FOR AND RECEIVE MONEY?

To provide material relief for the worthy poor, the helpless and the needy; the fallen and stricken. Our officers and soldiers have no desire to acquire or accumulate for their personal emolument any stores of money or chattles. They have dedicated their lives to the work of relieving others. While they must live decently, and therefore must have food, clothes and shelter, they ask no reward in this life beyond the respect and appreciation of their fellow-men and workers. They are, therefore, specially fitted, both in spirit and experience to handle money carefully and economically.

WHAT IS DONE WITH THE MONEY RECEIVED BY THE SALVATION ARMY?

All moneys and any profits from its business departments are devoted only to the maintenance of its religious, charitable, educational and missionary operations.

DOES ANY SALVATION ARMY OFFICER RECEIVE ANY INCOME FROM THE PROFITS OF ANY DEPARTMENT?

Officers receive only living allowances so small that they always involve real sacrifice. This compensation is clearly stipulated and varies according to the rank of the officer, not according to the work he does. No officer, member or employe ever receives any profit apart from the small, sacrificial salary stated.

ARE THE ACCOUNTS AUDITED?

Yes. Every year an audit company of first rank and reputation examines the accounts of the International, National and Territorial Headquarters. Every six months the Army's National Auditor and at longer intervals, the International Auditor examines the accounts of the various headquarters. These auditors insist upon both cashiers and book-keepers producing vouchers that every dollar has been spent for the purposes for which intended. Stubs of receipt books must show amounts received, name and address of source. Unless these conditions are fulfilled, auditors will not certify accounts. Auditors will not sanction any departure from customary and accredited modes of business procedure in keeping accounts.

DOES THE SALVATION ARMY PUBLISH BALANCE SHEETS?

Yes. Balance sheets of International, National, Provincial and Divisional Headquarters are published annually. Every Corps or field unit in the United States issues a quarterly balance sheet.

WHERE DO SALVATION ARMY OFFICERS COME FROM?

Men and women, converts of the Salvation Army, possessed of a passion to help and save the world, from all classes of society, from all professions and spheres of activity, from the gutter and the university, from the slum home and the mansion. The variety of our activities finds a place read, made for every type of intellect, talent and ability. Every rank and office is wide open to any man or woman whose ability and consecration qualify them for it.

WHAT KINDS OF RELIGIOUS AND CHARITABLE WORK DOES THE SALVATION ARMY ENGAGE IN?

Many and varied. Opens its doors to every human being needing help. No conditions of creed, color or race are made. Real need is the sole condition. The motto is "The World for God." The motives are everywhere and always religious and spiritual. Purposes include feeding the hungry, clothing the ragged, housing the homeless and cleaning the unclean. The Salvation Army is the strongest and largest single social relief or charity organization in the world. Its fundamental aim is always the same—to bring the individual into personal and friendly relationship with Jesus Christ, the world's Redeemer.
